PEACE

Be with You

STORIES written so they can be read or told.

There ARE peace heroes. Peace Be With You contains stories of many peace heroes whose courage, convictions, and peace tactics surpass that of the combatant soldier.

Many of these stories have never been published. They come out of a biblical and Mennonite heritage. Carefully researched from historical materials and from oral tradition, the stories are living and colorful testimony that many people throughout the centuries believed and lived the Christian way of peace, even when confronted by the most violent of circumstances.

A strong legacy of peace stories by Cornelia Lehn

Several of these stories of unsung heroes modeling peace and reconciliation were in the memories of people living today or on forgotten pages of history.

A resource for ministers, parents, teachers who want to share the Christian way of peace with children and youth.
